Match Play Results

In general, the members have been quite observant of the deadlines for playing their matches. The match play tournament committee would like to acknowledge those who have striven to play their matches on time and urges everyone to be cognizant of the fact that all match play categories must be completed by the end of September.

This is also a reminder that the participant in the lower bracket is responsible for contacting his opponent in the upper bracket to set up the match. However, this should not take away the ability of the upper bracket participant to contact his opponent in order to expedite their match.

Up-to-date match play results can be found on our website at <http://mensclub.crownisle.ca>

Did You Know?

On the par-5 15th hole, even if you can't see the green for your 2nd or 3rd fairway shot, you can tell where the pin is by looking at the 150-yard marker. The colour of the cap on the marker is the same as flag colour (i.e. red, white, or blue).
