Tournament Eligibility

In order to be eligible to play in our men's club tournaments members must have at least 10 scores recorded in the RCGA system for the current year (may include scores played at courses other than Crown Isle).

Booking Tee Times

Members have the privilege of booking their tee-times several weeks in advance. However, there is a problem with members booking tee-times and either cancelling at the last minute or not showing up. This denies other members playing opportunities or impacts Crown Isle's revenues from prospective green fee players. The men's club executive encourages its members to be considerate when booking times and provide the pro-shop with suitable notice of any cancellation (either full or partial groups).
